## Infrastructure:

What basic infrastructure improvements would deliver the greatest benefits for IPT?

**BASED UPON A KEY IPT CORRIDOR THAT YOU KNOW WELL, HOW WOULD YOU QUANTIFY AND RATE THE QUALITY OF INFRASTRUCTURE?**

- Percentage of route benefitting from a good quality of road surface, that is well maintained:

- IPT operates in the city subject to route (or area) licensing that is well enforced:

- IPT operates in the city subject to driver licensing and vehicle inspection regimes that are well enforced:

- IPT operates in the city subject to route (or area) licensing that is poorly/unevenly enforced:

- IPT operates in the city subject to driver licensing and vehicle inspection regimes that is poorly/unevenly enforced:

- IPT operates in the city in a situation of very limited or no regulatory oversight:
